IN THIS WORLD, THERE ARE TWO TYPES OF MEN:

"THOSE WHO CAN" AND "THOSE WHO CAN'T"

A POPULAR MAN IS ONE WHO...

CAN RUN FAST,

HAS GOOD LOOKS,

AND IS JUST A LITTLE BIT OF A "BAD BOY".

POPULAR GUYS

FUNNY GUYS

Translator's Notes

Page 62
Crow: There's a pun here in which the crows' cry in Japanese: "aho- aho-" (アホ-) sounds like the word "aho" (あほ-) which means "Stupid or dumb".

The translation will be taking a brief hiatus next week (9.20.2017) and will hopefully return the following week. We'll take this time to thank the people reading on Batoto and other sites. It's a fair amount of work for a three person team, but it's satisfying to expose new people to a manga they might not have heard of otherwise!

We have other translations planned in the future, and while they won't be frequent like this, we hope you'll stick around to look for them when they come out!

Finally, if you really like this manga, don't forget to support the artist (https://twitter.com/hoshimi_yumi) and buy the first two volumes where avalible! Thank you again!
